ADULT

We're delighted you want to know about the possibility of baptism at one of our churches.

Christian baptism is not so much about the ceremony, as about the decision taken to become a follower of Jesus Christ. The ceremony of baptism is a visible and public sign of this decision and a choice to identify with a particular church community. We strongly encourage you to consider confirmation into the Church of England at the same time as baptism. Please discuss this with your vicar.

Note: If you are an adult wanting a child baptized, please use the child version of this form available at www.hopechurchfamily/org/life-events/baptism.
